OAKWOOD WEEKLY BULLETIN

Issue 4

28th September 2018

Highlight of the week...

The Power of Positivity

During assembly this week we said thank you to the pupils who have made a positive difference to our community and gone 'above and beyond' in their behaviour by being kind, helpful and considerate. It has been amazing to identify some of the unsung acts that go on within our school and we're only in the third week of term!

Getting to know you

Yesterday we held our Year R Coffee Morning and hopefully all those of you who managed to attend had a good time with the coffee and cake, and maybe even managed to make some new friends along the way.

Getting to know you even more...

Our Year 1 and 2 parents have now attended the Meet Your Teacher sessions and I know that the teachers have found it really useful to get to know you and to find out about your child from your perspective - so thank you for taking the time to come along. For those of you who already knew your class teacher, I know there is always more to talk and find out about!

Jenny Cook, Head of School

Notices

Harvest Festival - Thursday 11th October

Yes, it is nearly the time to say a definite goodbye to the t-shirts and welcome on board the woolly jumpers. And what better way to get us started than a good old fashioned Harvest Festival! Our Year 2 children will be putting on a Harvest Spectacular with songs, dances and who knows what else [we don't yet but I'm sure it will all be fine] As always we are asking parents to donate items for our Harvest Food Boxes that our Year 2 children will deliver to Rosefield Court - so start rummaging through your cupboards for pasta, tins, rice, soup and some lovely fruit and veg! Please remember that everyone can contribute to our Harvest Boxes not just Year 2.

Year R - Meet your teacher

The link to book your appointment to meet with your child's class teacher was sent earlier today. This will be an opportunity to find out how they have settled into school and learn about their baseline assessment. This will help you to know their current strengths and their next steps. Don't worry if your child is not yet secure in some of the areas of development - it is early days and there is lots more to learn! If you were unable to make an appointment please contact Sue Dale-Heaps and she will do her best to help. Please report to the school's main reception for your appointment where we will be able to direct you to where your child's teacher is hiding.

Stop Press Plea for support!

Do you shop in Tesco, Hook? Did you know when you shop at Tesco you can receive tokens that can be placed in a box towards the entrance of the store. These tokens represent support for local charities, the more tokens each charity receives the more cash your charity will receive. Please support the Friends of Oakwood in their quest to help the school purchase a Yurt and pick up your tokens to support us. Every token counts! If you are not offered them, don't forget to ask!
