OAKWOOD WEEKLY BULLETIN

Issue 26

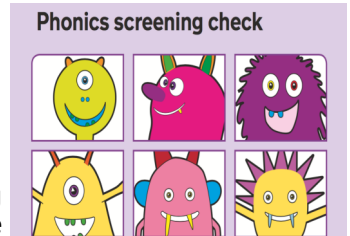

7th June 2019

Highlights of the Week

Year 1 Phonic Screening

This joyous event is upon us again and next week our Year 1 children will be spending a happy time reading real and nonsense words to their class teacher. You will be pleased to know that your child's teacher already has an excellent understanding of your child's phonic and reading ability as they assess this on a daily basis through phonics teaching and also by hearing them read actual books - so the screening is nothing for anyone to worry about. Your child's results will be shared with you at the end of the term along with a more informative end of year report. In the meantime just enjoy hearing your child read real books and take some time to share a bedtime story together. Any questions just pop in and talk to your child's teacher.

Moving on Up!

This week we have continued with our transition programme to prepare the children for the next stage in their learning journey. Our Year 2 children have visited Greenfields to begin to find out about the school and life as a junior, and they familiarised themselves with the school by taking part in a treasure hunt. This week our new Year R children were welcomed into the Reception environment and had a fantastic time accessing the range of exciting resources on offer with their grown ups. Please find attached the slides from the Year 1 and Year 2 curriculum and assessment information events held this week for your child's new Year Group.

The Green Oaks Summer Fair at Greenfields - Friday 14th June

Thank you for the kind donations which have been donated so far for the Summer Fair. We are still looking for the following donations of **soft toys**, **chocolates** and **sweets**, jars of **treats** including **pocket toys** and **wine**. These sound like the quintessential birthday presents which I am sure we have all had too many of this year so please drop any of these items into the office! Also, don't forget to return your raffle tickets to be in with a chance of winning those fantastic prizes!

Sports Day afternoon - Friday 28th June (1.30pm - 3pm)

We will be running a 'round robin' of sporty events including the time old favourites of the sack race and obstacle course. You are welcome to watch as many of the races as you want but please remember to stand on the opposite side of the tracks to the children and cheer them on from a safe distance.

Restoration 150

The St John's Church exhibition opens on Saturday which celebrates the heritage of the church and the surrounding community from 1869 to the present day. The children's beautiful artwork, poems and letters based on Hartley Wintney will be on display so please pop in to find out more.

And finally...

Enjoy the Festival tomorrow if you are attending. I look forward to seeing you at 12.00noon at Greenfields ready to start walking for the Green Oaks Federation at 12.30pm dressed in a Victorian (that's me) or a 70s (Sue Tadman) costume!

Jenny Cook - Head of School

NOTICES:

Tree Surgery by the School

Please note that minor tree surgery will be carried out on **Tuesday 11th June** on the Oak Common directly outside the school. The area will be coned off, therefore, **there will be no parking available at Oakwood** that day. Please take this opportunity to either walk to school or Park and Stride. Thank you for co-operation in this matter.

Greenfields Uniform for Year 3

Marks and Spencer are running an "Early Bird" promotion offering 20% off all uniform from 4th June until 2nd July 2019, and all orders over £30.00 will receive free standard delivery. Due to high demand over the summer, M&S strongly recommend placing any orders before the end of July to ensure delivery in time for the new academic year.
