Highlights of the Week

Summer Fair

Thank you to everyone who came along to support the Friends of Green Oaks Summer Fair. It was a great success with so many fabulous stalls and activities on which to spend your pennies whilst watching May-pole dancing, enjoying Glee and listening to the orchestra. Thank you to the Friends of Green Oaks volunteers and all staff and children across the Federation for your hard work and enthusiasm. Thanks also to YOU - the Green Oaks community for supporting this event. A tremendous amount of money was raised which will directly benefit the children.

The first date back at school is **Wednesday 4th September 2019** - doors open at 8.50 am ready for the start of a brand new year

Moving on Up!

Thursday was our Federation transition day as everyone moved to their new classroom and met their new teacher. We also welcomed in our new Year R in the morning and new children joining Oakwood in KS1. I enjoyed popping into classrooms and seeing everyone embracing their new surroundings and supporting each other. This is my first transition as Head of School and I am so proud of the progress everyone has made this year!

This half term we are embracing the value of teamwork. Teamwork is always evident at Oakwood.

It's rehearsal time!

The Year 2 Production is in full rehearsal mode and we are looking forward to seeing the outcome of their hard work. **We are inviting parents of girls to join us on Wednesday 10th July and parents of boys to join us on Thursday 11th July** and your tickets were sent home earlier this week.

Celebrating achievement!

We are inviting parents to come into school to look at their children's work before receiving their End of Year Reports. Due to space limitations this will need to be one adult per child please. Please come to the office from where you will be directed to your child's class.

Year R - Tuesday 2nd July	2.30 pm - 4.00 pm
Year 1 - Wednesday 3rd July	2.30 pm - 4.00 pm
Year 2 - Thursday 4th July	2.30 pm - 4.00 pm

You will receive two reports. The most important one is a very special report that has been written by your child's class teacher to your child. Please make sure that you take your time to read this with your child - it is very unique. The second report is for parents and will give you your child's end of year assessments.

When you read the reports you will see how much time and thought your child's teacher has put into writing these and also how well they know your child as an individual. I am sure that you join me in thanking them for their relentless hard work, care and dedication.

Enjoy the beautiful sunshine this weekend,

Jenny Cook - Head of School
